

We're paying SEP commissions!

We realize your hard work
doesn't end with Open Enrollment.
It's happening all year round.

To acknowledge that hard work, ***Ambetter will now be paying SEP commissions!*** Ambetter will pay commission on Ambetter enrollments done outside of the annual open enrollment period.

Clients who have recently had a baby, just gotten married, moved to a new area or have had another life changing event, may qualify for Ambetter health insurance.

Questions about SEP commissions? Contact an Ambetter Sales Representative at **1-855-700-7985, option 3** or email us at ambettersales@ambetterhealth.com.
