Disclosure

If your requested effective date is in 2018:

This coverage is not required to comply with certain federal market requirements for health insurance, principally those contained in the Affordable Care Act. Be sure to check your policy carefully to make sure you are aware of any exclusions or limitations regarding coverage of preexisting conditions or health benefits (such as hospitalization, emergency services, maternity care, preventive care, prescription drugs, and mental health and substance use disorder services). Your policy might also have lifetime and/or annual dollar limits on health benefits. If this coverage expires or you lose eligibility for this coverage, you might have to wait until an open enrollment period to get other health insurance coverage. Also, this coverage is not "minimum essential coverage." If you don't have minimum essential coverage for any month in 2018, you may have to make a payment when you file your tax return unless you qualify for an exemption from the requirement that you have health coverage for that month.

If your requested effective date is in 2019:

According to your application (the information furnished by you), you intend to lapse or otherwise terminate your present policy and replace it with a policy to be issued by Golden Rule Insurance Company. For your own information and protection, certain facts should be pointed out to you which should be considered before you make this change.

1. Health conditions which you may presently have may not be covered under the new policy. This could result in a claim for benefits being denied which may have been payable under your present policy.
2. Even though some of your present health conditions may be covered under the new policy, these conditions may be subject to certain waiting periods under the new policy before coverage is effective.
3. Questions in the application for the new policy must be answered truthfully and completely; otherwise, the validity of the policy and the payment of any benefits thereunder may be voided.
4. The new policy will be issued at a higher age than that used for issuance of your present policy; therefore, the cost of the new policy depending upon the benefits, may be higher than you are paying for your present policy.
