

COVID-19 Updates

Grace Period Updates

In response to current events, we are extending our premium grace periods to groups. Through May 31st, Avēsis clients will be granted an additional 30 days of grace period beyond current policy limits. For example, if your grace period for payment has been 30 days, it will now be extended to 60 days.

ACH Payments

In addition, we'd like to remind you that ACH (automated clearinghouse) payments are available to our producers who are currently receiving paper checks. ACH allows you to get funds faster. To enroll, download our ACH form using the button below. Once completed, the form should be sent with a voided check to finance@avesis.com. Please allow two to four check cycles before automated payments begin.
