

Rate stability for select renewals

In March we told you there wouldn't be rate increases* for employers with less than 500 employees and policy anniversary dates of May 1, 2020 – Aug. 15, 2020. **I want to let you know we're extending this to include renewals through Oct. 15, 2020.**

Check out the [COVID-19 advisor website](#) for more information.

We appreciate your flexibility and understanding during these truly unprecedented times. Let me know if you have any questions.

* Washington small group dental and all cases with scheduled vision coverage could be subject to an increase.
