

# Plan sponsor: Aetna Health website/app email Plan sponsor engagement campaign

**Empower your employees with these digital tools**

**The Aetna Health<sup>SM</sup> app and Aetna<sup>®</sup> member website**

Make it easier for your employees to seamlessly connect with their care. And manage their benefits — at home or on the go. The Aetna Health app and Aetna member website are personalized and easy to use, so your employees can:

#### Take charge of their benefits

- View health plan summary and get detailed information about what's covered.
- Track spending and progress toward meeting deductibles.
- Access digital ID card whenever needed.

#### Manage claims

- See up to two years of claims details.
- Pay claims.

#### Connect with care

- Search for in-network providers, facilities and medications.
- Get cost estimates for visits and procedures before they go.
- Speak with a doctor by phone or video 24/7 from anywhere with Teladoc<sup>®</sup> telehealth services.

Get the word out. **Share the attached flyer with your employees** today, so they can start taking charge of their benefits, managing claims and connecting with care.
