

Comparison of Medicare Part D creditable and noncreditable coverage

The following chart will help you understand if multiple employer welfare arrangement (MEWA) health plans are creditable or noncreditable:

Creditable - This is prescription drug coverage (such as coverage from an employer or union), that pays out, on average, as much or more than Medicare's standard prescription drug coverage.

Noncreditable - This is prescription drug coverage (such as coverage from an employer or union), that does not pay out, on average, as much or more than Medicare's standard prescription drug coverage.
