Making your first payment

Once you've signed up for your Ambetter health plan, you have to make your first payment in order to receive coverage and officially become our member. When you get your bill, you will have several options to make your premium payment. Your premium payment options are:

Pay Online:

- Quick Payment:** Make a fast one-time payment at AmbetterHealth.com. Select *Pay My Premium* from the menu.
- Monthly Bill Payment:** Login to your member account and follow the instructions. It's secure and easy!
- Enroll in Automatic Bill Pay:** Enroll using your debit card, bank account or credit card. Your monthly payment is deducted at the same time each month.

Pay by Mail:

Send a check or money order to the address listed on our billing invoice payment coupon. Remember to write your member ID number on the check or money order. Then, detach the payment coupon from the billing invoice and mail it with your payment.

Pay by Phone:

Pay over the phone by calling billing services at the phone number listed on your billing invoice payment coupon. You will have the option to pay using the 24/7 Interactive Voice Response (IVR) system or by speaking to a billing services representative during regular business hours.

Pay with MoneyGram®:

Find a MoneyGram location near you by visiting MoneyGram.com/BillPayLocations or calling **1-800-926-9400**.

Be sure to remember to include your member ID with your payment. Fill out the blue MoneyGram ExpressPayment® form and use the MoneyGram phone or kiosk to complete your payment. Ask a store associate if you need any help making your payment. And, Ambetter covers the MoneyGram fee!
