

### Product Dues Acknowledgement

The Kentucky Chamber of Commerce (“KCC”) is offering a self-insured employer-organized group health benefit program through the Chamber Business Solutions Trust (d/b/a ChamberAdvantage). ChamberAdvantage is a KCC member benefit available to employer groups belonging to an authorized chamber of commerce that belongs to KCC or the Kentucky Chamber of Commerce Executive, Inc. (each a “Participating Employer” and, collectively, “Participating Employers”). Participating Employers in ChamberAdvantage agree to the following:

1. The Participating Employer will remain a member in good standing with at least one chamber of commerce (identified below) authorized by KCC to offer ChamberAdvantage to its members.
2. The Participating Employer agrees to pay product dues assessed by KCC from its general assets. The product dues charged are calculated at \$4.00 per enrolled employee per month. Charges for product dues will be included on a separate invoice from Anthem each month in addition to the premium equivalent invoice. All invoices will be posted electronically on the Anthem Employer Portal.
3. The Participating Employer elects KCC’s President and CEO to be its proxy to elect ChamberAdvantage Trustees.
4. The Participating Employer agrees to comply with all the rules and requirements of ChamberAdvantage as outlined in the Participation Agreement and updated from time to time. Failure to comply with these rules and requirements may result in the Participating Employer being terminated from participating in ChamberAdvantage.

This Acknowledgement is effective when signed by the Participating Employer.
